EVANSTON ART CENTER

Supply List

Introduction to Metal Clay for Jewelry

Kate Agasi

Tools/equipment participants need

- Silver metal clay – 20 grams will provide enough clay for 3-4 projects, 10 grams 2-3 projects, 5 grams 1 project (either fine silver or sterling silver clay will work. DO NOT use bronze or any other metal clay)
- Small stones and gems, if desired. Objects should be no more than 5mm in size
- Any molds, textures or patterns participants would like to use – note that the instructor will provide an assortment of textures, molds, templates and cutters

Where to get Art Clay

- Use a reputable source, such as Art Clay at https://artclayworldamerica.com/store/, or CoolTools clay https://www.riogrande.com/ or https://cooltools.us/ (Note, instructor does not receive compensation for recommendations)

Please Note: Classes and workshops may be canceled if enrollment minimums are not reached. You will be notified by telephone at least 3 days prior to the scheduled start date should cancellation become necessary.
