

0303 Encaustic Painting, Supply List
Robin Samiljan

If students do not have any encaustic materials, the instructor recommends purchasing an Encaustic starter kit at DickBlick.com for the first day of class. Approximate cost for a starter kit - \$70.

If students already have encaustic materials, they should bring the following:

- * wax medium (premixed beeswax and damar resin available in different sizes), either in blocks or pellets
- * assorted colors of pigmented wax paint (R&F paints, Enkaustikos, Miles Conrad, Evans Encaustic, to name a few companies)
- * Cradled wood panels or encausticbord panels
- * paint brushes to be used with wax, cheap inexpensive are best
- * empty metal cans, candle making tins (or empty, cleaned tuna containers make a good size for melting the wax paint on the griddle)
- * surface thermometer recommended
- * misc. items for collages, photo images printed on regular printer paper (NOT on photo paper)

Additional items provided for class:

assorted paint brushes in different widths
pottery tools for sculpting wax
scraping tools
oil pastels
powder charcoal
powder pigments
shellac
torch
tracing paper for transferring drawn images onto wax

- * Electric griddles will be provided at the EAC, I will provide a heat gun to be shared

Please Note: Classes and workshops may be cancelled if enrollment minimums are not reached. You will be notified by telephone at least 3 days prior to the scheduled start date should cancellation become necessary.
