Thing Theory: Found Object Sculpture
John Preus

Students will be expected to provide their own objects/materials to work with in the course. EAC will provide tools and basics like wood glue and adhesives. It may be that students decide they want to work with fabric, or plastic, or glass, or wood ... and will need to provide some materials for themselves, like nails, glue, screws, adhesives, finish... that is not provided by EAC. Students should set aside a small budget (\$100-\$200) for their own studio needs.

Please Note: Classes and workshops may be canceled if enrollment minimums are not reached. You will be notified by telephone at least 3 days prior to the scheduled start date should cancellation become necessary.
