Playing With Color: Exploring the Color Exercises of Josef Albers

Erika Mulvenna

Each week of this class is dedicated to exploring one of Josef Albers' unique color exercises. We will also learn about who Josef Albers was, how he grew to have a unique approach to teaching color, and what some of the principles are behind his lessons.

Please bring these supplies to the FIRST day of class:

- Craft scissors for cutting paper
- Glue stick for paper
- Folder or large envelope to hold your colored paper and class exercises

The instructor will let you know on the first day what specific papers you will need to bring for later classes.

Please Note: Classes and workshops may be canceled if enrollment minimums are not reached. You will be notified by telephone at least 3 days prior to the scheduled start date should cancellation become necessary.
