

Supply List
Intaglio Printmaking
Duffy O'Connor

These items are available in the printmaking studio for sale during class.

copper plate

32¢ per square inch

etching paper

variable by type, approximately \$4.00 or \$5.00 per 22 x 30" sheet

It is difficult to offer an exact amount that each student will pay for copper and paper. In one 12 week session, a student might make three or four prints, and the size is up to the student. If prints are small, one sheet of paper would be enough to print one plate many times so a student might purchase four sheets of paper, possibly five.

All other basic supplies (black ink, tools, tarlatan) are supplied as a part of the class.

Students may wish to bring an apron to wear and will need drawing supplies.

Please Note: Classes and workshops may be canceled if enrollment minimums are not reached. You will be notified by telephone at least 3 days prior to the scheduled start date should cancellation become necessary.
