

Supply List

The Art of Seeing Color

Erika Mulvenna

We will be exploring different concepts and ideas surrounding color, color harmony, and how we experience color with hands-on exercises. The instructor will supply you with a pack of colored papers to use in class, and white cardstock for glueing finalized color sketches.

Bring the following with you to class:

- Craft glue for paper, this can be a glue stick, glue pen, glue dots, or any other form of glue for quickly securing paper to cardstock.
- Craft scissors for cutting paper
- Pencil or pen for taking notes and labeling your color sketches
- Optional: tote bag or similar to carry home your sketches, paper, and handouts after class

Looking forward to meeting you in class!
