Double Delight: Zentangle® & Paper Folding

Stephanie Funke

1 – **Paper** – single sheets or a sketch pad – 9” x 12”

2 – **Paper** that can be **easily used for the combined Zentangle and folding/origami projects** – not all of the following are necessary; however, classes will include work on **square sheets** that are **origami-type paper** and **between 4”– 8”**.

This paper may be a solid color on one or both sides as we will be drawing (Zentangle patterns) on this paper but **NOT** patterned on both sides

You may use whatever paper you prefer and cut your own squares/sizes, including printer paper and lightweight scrapbooking paper; however, keep in mind we will also be drawing on this paper and then folding it.

Suitable options / suggestions for origami paper:

- Brands – Yasutomo, Aitoh, Roylco, or Tuttle
