

Supply List  
Extreme Embroidery  
*Annie Zirin*

You may want to get other things as each person develops their own project but this will get you started:

All these supplies are available at stores like JoAnns Fabric, Michael's, Walmart, on Amazon etc.

A few pieces of solid color cotton fabric (like kind you use for quilting) Different sizes but minimum 8 inches square

Embroidery needles

A selection of colors of DMC embroidery floss

(Any other embroidery floss you like or have can be great and you should bring it but I like to get started with reliable DMC)

Scissors

Embroidery hoop or hoops—size doesn't matter. Get a few if you can that feel comfortable. Make sure your fabric is bigger than your hoop!

Dressmaker pen with disappearing ink like this
