Creative Sewing Machine Techniques

Erika Mulvenna

On the first day of class, please bring a pair of sewing scissors for cutting fabric. You will need the supplies listed below for the remaining sessions of class:

Tools and Supplies Needed for Class:

Basic pair of scissors for cutting fabric (8" fabric shears recommended)

Small, sharp scissors for snipping threads

One medium spool of white, All-purpose sewing thread

Sewing pins (all metal or glass head pins, avoid pins with plastic heads)

Ruler (a regular 12" ruler is fine or a medium-sized acrylic quilting ruler)

Fabric marking pen or pencil

Seam ripper

A box or bin to hold your sewing supplies. Any box will do! Some people use an art storage box, bin, or toolbox from the hardware store because they have both large compartments (for scissors) and small compartments (for pins and needles).

If you have any questions about the supplies listed, please ask me in our first class session.
