Beginning Oil Pastels

Elizabeth Wilson

- A small set of artist quality oil pastels (~12 artist quality sticks - Sennelier Oil Pastels, Caran D'Ache Neopastels, or Mungyo Artist Oil Pastels). Alternatively, if you'd like to try a few different brands, buying a couple open stock sticks from different companies will give you a sense of the varying hardness and opacities of oil pastels across brands)
- A medium size pastel paper drawing pad in neutral tones or grays (Canson Mi-Teintes makes a 12x16 inch pad with different medium toned colors, or something equivalent)

Optional Materials (we will discuss these at the first class - you don't need to purchase before then)

- Palette knife
- Blending stump
- A small tube of solvent-free gel (e.g. Gamblin Solvent Free Oil Gel Medium)

Please Note: Classes and workshops may be canceled if enrollment minimums are not reached. You will be notified by telephone at least 3 days prior to the scheduled start date should cancellation become necessary.
