WORKSHOPS UNDER \$100	Tuition refunded minus \$25 processing fee**	NO REFUND OR CREDIT	NO REFUND OR CREDIT

\*The first session is defined as the first day of class or workshop meets (not the first class or workshop attended).

\*\*To avoid paying the processing fee, students may elect to receive a full tuition credit for classes or workshops dropped seven days or more before the first session. Tuition credit will expire one year from the date the class or workshop is dropped and must be used in full for EAC class and/or workshop tuition. After the credit is redeemed, no further refund options will be available. Tuition credits are not redeemable for cash under any circumstances. Credits may be transferred to another individual only with written notice.

## CANCELLATIONS

Classes are canceled when enrollment minimums are not reached. EAC encourages students to register early. Classes that do not meet enrollment minimums are canceled three days before the first class, and students are notified by telephone. Full tuition will be refunded within three weeks. The Art Center reserves the right to change instructors, class structure, or to discontinue any class without incurring obligations. If a student is unable to attend a class period for any reason, the Art Center is not responsible for providing any make-up. Not attending class does not constitute an official drop or withdrawal from courses or cancellation of tuition or fees.

## MISSED CLASSES

A make-up week is scheduled at the end of each term in the event a class session is canceled by the EAC or the instructor. Make-up week is considered part of the term, and no refunds will be given for unattended scheduled classes during this week. There are no refunds, credits or make-ups for any other class sessions that were held as scheduled and missed by the student (student "no-show").
