CLASS DISCOUNTS

Refer a friend (first-time student) and receive a 20% discount off the price of one class. EAC's Director of IT and Administration must be alerted when you are introducing a student to an EAC class at the time of registration to receive the discount. Read more on Registration Information and Policies on our website.

FINANCIAL AID/SCHOLARSHIPS AND PAYMENT PLANS

EAC is dedicated to making visual art accessible to everyone. Need-based scholarships are available and can be applied to classes and workshops. Visit our website or front desk for financial aid applications. Please complete the application and return with your class registration. Payment plans are also available. For more information, please call 847-475-5300.

PARKING

The parking lot adjacent to the Art Center is available on a first-come, first-served basis with vehicles exhibiting a parking permit. Parking permits are available to students registered in a 4-week or longer session. Pick up permits at the EAC front desk at the beginning of each session. Street parking is also available.

WE WELCOME ALL

The Evanston Art Center welcomes and respects all of our community: students, artists, faculty, and staff. We acknowledge and honor the fundamental value and dignity of all individuals including, but not limited to, race, ethnicity, gender, sexuality, religion, class, ability, language, nationality, immigration status, and training.

EVANSTON ART CENTER

EAC's galleries are open to the public.

Summer Camps

The Evanston Art Center is excited to offer a line-up of in-person and online summer youth art camps, including an exciting mix of visual arts and technology exploration.

If you have any questions about camps, please email Interim Director of Education Andrea Táborá at atabora@evanstonartcenter.org.

KIDS

- You'll have a lot of fun doing great art projects, making new friends, and viewing art in the galleries!

PARENTS

Your child will be exposed to:

- New ways to explore and cultivate creativity
- Understanding there are no "right" answers in art, just different ways to approach problems and achieve goals
- New techniques and skills that enhance existing interests
- Critical thinking strategies, multiple perspectives, and interpretations
- Access to new technologies
- Learning how to think through and with materials

"It was a wonderful experience overall! Engaging projects, great teachers and TA's and a great environment. My daughter wants to return again next summer to take painting with the older age group."

"My son is a reluctant camper and really enjoyed the week of camp he did at the EAC. Thank you so very much for great instruction and programming!"

All camps include short break periods so please feel free to send your child with a (nut free) snack and a refillable bottle of water. Water fountains are available for refilling water. We're also using nearby McCulloch Park for occasional snack breaks and play.

On the first day of camp, teaching assistants will meet children in the main gallery, check them

in, give them nametags, and take them to their classrooms as a group. On the second day, children can go directly to their classrooms as they arrive. Adults will be present to direct campers to their classrooms if necessary. At the end of the day, instructors will walk their students downstairs to the main gallery where caregivers will check them out and discuss any progress or feedback.

Dress for mess by wearing appropriate art making and outdoor clothing.

When dropping off and picking up, please do not park in the 1713 Central Street building.

The Evanston Art Center (EAC) pledges to follow Restore Illinois State Guidelines

The EAC pledges to do the following each day:

- Significantly limit capacity of all camps
- Require all who enter the EAC wear a cloth mask for the duration of their stay.
- Limit the number of visitors in our building.
- Provide additional cleaning of all common areas and high touch surfaces, especially restrooms and door handles.
- Encourage everyone to stay home if feeling unwell.
- Provide disinfecting wipes and hand sanitizer.

All students must:

- Wear a face mask at all times.
- Take their temperature upon entry using provided gloves. Anyone with a temperature of 100.4F or above will not be permitted to remain on site, per Restore Illinois State guidelines.
- Stay home if feeling unwell. The EAC will waive its refund policy if students must skip a visit due to potential COVID-19 infection. Ask a staff member for more information.
- Maintain a 6 foot distance from others.
- Wash hands with soap for at least 20 seconds before, during and after their visit to open studios.
- Students over age 9 are expected to use provided disinfecting wipes to disinfect handles, tools, and any surfaces touched.
