9165 Kintsugi for Beginners

Mami Takahashi

Kintsugi is a traditional Japanese art form in which gold and Urushi (the natural resin/glue collected from the lacquer tree) sap, is used to repair broken ceramics. The practice of Kintsugi highlights the break rather than erasing it and emphasizes that the break, or trauma, is what makes the ceramics more valuable.

In this beginner's workshop, participants will learn the basic technique of Kintsugi on a small porcelain plate or a small ceramic plate to understand the fundamentals of this process. There will be a choice to use an artificial Urushi sap for this beginner's class, which is safe to touch without allergy reactions.

Classes are canceled when enrollment minimums are not reached. EAC encourages students to register early. Classes that do not meet enrollment minimums are canceled three days before the first class, and students are notified by telephone. Full tuition will be refunded within three weeks. The Art Center reserves the right to change instructors, class structure, or to discontinue any class without incurring obligations. If a student is unable to attend a class period for any reason, the Art Center is not responsible for providing any make-up. Not attending class does not constitute an official drop or withdrawal from courses or cancellation of tuition or fees.

MISSED CLASSES

A make-up week is scheduled at the end of each term in the event a class session is canceled by the EAC or the instructor. Make-up week is considered part of the term, and no refunds will be given for unattended scheduled classes during this week. There are no refunds, credits or make-ups for any other class sessions that were held as scheduled and missed by the student (student "no-show").
