FINANCIAL AID AVAILABLE

The EAC is dedicated to making visual art accessible to everyone. Need-based scholarships are available and can be applied to classes and workshops. Visit our website or front desk for financial aid applications. Please complete the application and return with your class registration, preferably 2 weeks before the start of class. Payment plans are available. For more information, please call 847-475-5300.

ACCESSIBILITY

The EAC welcomes all people with disabilities to join our classes! If you require any accommodation to fully participate, please contact our Director of Education with as much notice as possible at CGunther@EvanstonArtCenter.org or call 847-475-5300 ext.108.

WE WELCOME ALL

The Evanston Art Center welcomes and respects all of our community: students, artists, faculty, and staff. We acknowledge and honor the fundamental value and dignity of all individuals including, but not limited to, race, ethnicity, gender, sexuality, religion, class, ability, language, nationality, immigration status and training.

EVANSTON ART CENTER

Inspiring art education, exhibitions, and expression for all. The EAC is a non-profit that has supported the arts for more than 90 years.

The EAC, like many arts organizations, has been hit hard during the pandemic. Despite our significant revenue loss, we acted swiftly and reinvented our model while staying true to our rich 90 year history of inspiring art education, exhibitions and expression for all. We are proud to say that since April, we've moved nearly 100 classes online, piloted outdoor classes, taught more than 500 students, hosted approximately 100 campers, opened our doors to those seeking independent studio time, and even offered nearly 100 scholarships.

We've accomplished a lot, but it's not enough, by a long shot, to meet the budget we developed before the pandemic. To help close the gaps, we are working to secure loans, grants and contributions specifically targeted for non-profit arts organizations.

But, today, we must also ask for your help. Please consider adding EAC to the list of organizations you currently support safely and conveniently online at www.EvanstonArtCenter.org/Donate. As a reminder, the EAC is a non-profit, and donations are tax deductible to the extent provided by law.

If you're unable to donate at this time, there are many other ways you can support us. Gift a class or membership. Support our Winter Expo. Sponsor a student with disabilities. Even a quick mention on your social media would mean the world to us.

We are incredibly grateful to our community for all you have done and continue to do to support and encourage us. We are truly astonished by such strong gestures of support for EAC, especially during this time when so many people and organizations are needy.

We hope you and your loved ones are staying in good spirits and strong health during this challenging time. Thank you in advance for your generous support.

UPCOMING EXHIBITIONS

SUSAN SMITH TREES*

January 9 - February 14, 2021

Susan Smith Trees is a sculptor who has exhibited throughout the United States for the past 25 years. Manipulation of materials are her touchstone to experimentation and the unknown. Hovering between figuration and abstraction, she weaves a primitive nature of form and shape into a conversation about the inanimate object versus life force. Moving from the tangible to the psychological, her work reveals the duplicity of what is familiar and what is hidden.

SUSAN BEINER: HIVE EXPANDED*

January 9 - February 14, 2021

Born in Newark, New Jersey, Susan Beiner received her MFA from the University of Michigan, and BFA from Rutgers University in New Jersey. Beiner's current work displays a shift to ideas about installation, covering an expanse of space, which allows her to reassemble shapes, attributes, qualities and quantities on a much larger scale suggesting an essential connection to our physical space.

EVANSTON + VICINITY BIENNIAL*

January 15 - February 14, 2021

The Evanston + Vicinity Biennial is one of the Midwest's largest and most prestigious juried exhibitions, offering artists an opportunity to have their work viewed by three talented curators. This year's curators include Alpha M. Bruton, Artist, Art Consultant & Curator of Phantom Gallery Chicago Network, Dan Devening, Director of Devening Projects and Adjunct Professor of Department of Painting and Drawing at the School of the Art Institute of Chicago, and Kate Pollasch, Director of Corbett vs. Dempsey.

JIAQI ZHANG*

February 20 - March 28, 2021

Jiaqi Zhang is an interdisciplinary artist, creative technologist. She was born in China and is now based in Chicago, IL. Zhang creates interactive and gamified experiences that cross the digital and physical realms. With a wide range of curiosities, she seeks to investigate the areas of social cognition and behavior, with a particular focus on sensory perception, emotional experience, and collective intelligence.

INTERPOLATIONS: FEATURING NEW, LARGE-SCALE WORK BY MICHAEL K. PAXTON*

February 27 - April 4, 2021

Michael K. Paxton is a veteran Chicago artist and a sixth generation West Virginian from the besieged coalfields in the southern counties of the state. Currently Paxton is engaged in a new body of large-scale work where he pushes for more open space, richer paint application and an enhanced surface presence. Based on new structures developed in sketchbooks and using the simplest of media, these new paintings and drawings point to a burst of organic growth in Paxton's work and the promise of the next step forward.
