Dear Friends of the Art Center,

On behalf of the Evanston Art Center Board of Trustees, we want to thank you and all of our donors for your unwavering support. The Evanston Art Center (EAC) has stayed true to its rich 93 year history, inspiring art education, exhibitions, and expression for all. The EAC continues to adapt and through the support of the community and the tireless commitment of the staff and faculty, advance its reach in the community and beyond. Here are a few highlights from our 2021-22 fiscal year:

- ***Offered outreach classes to 26 community partner organizations, teaching 1,470 students.***
- ***Taught 1,846 students in traditional EAC in-person classes.***
- ***Created and offered more than 100 online classes, opening the EAC to new students and instructors.***
- ***Awarded 161 individual scholarships and financial aid helping to make art classes accessible to all.***
- ***Helped 260 artists showcase and sell their art.***

While we have accomplished a great deal, we also recognize that we have a long way to go. Today, we ask that you consider joining us to build upon the important work we have started.

Please consider adding the EAC to the list of organizations you currently support- either safely and conveniently online at www.evanstonartcenter.org/donate or, if preferred, by using the enclosed envelope. As a reminder, the EAC is a non-profit, and donations are tax-deductible to the extent provided by law.

If you are unable to donate at this time, there are many other ways you can support us. Help spread the word about the EAC by gifting a membership or a class. Consider sponsoring a student to take a class. You can also support our Annual Winter Expo by sponsoring the event or supporting local artists by doing your holiday shopping at the event. Even a mention on social media would mean the world to us.

Thank you in advance for your generous support.

With deep appreciation,

Paula Danoff

Designed for advanced students who want to work on their own or with a small group of advanced students outside of class in unmonitored studio time. To be permitted to work independently in the studio during designated times, students will be trained in five one-hour authorization sessions. After which they will be evaluated and may be allowed to work independently. The AOS Coordinator will arrange rapid-fire demos, class outings, guest artists, and other events tailored to the group's needs and interests.
