

## Summer 2020: Open Studios

### Summer Session 1

Monday, June 15 – Sunday, July 26, 2020 (No Open Studio July 3 and 4)

### Access to the EAC Open Studios

To support the EAC artist community while prioritizing everyone's wellbeing, the EAC will offer Open Studios for Summer Session 1 with several safety precautions in place.

Note that the Open Studio hours *may* be reduced in Session 2 (beginning July 27) to accommodate additional in-person class offerings.

***The EAC will have a comprehensive COVID-19 policies and procedures document (closely following [Restore Illinois Phase III guidelines](#)) posted on our website soon. Some aspects of the plan are included below:***

#### **The EAC pledges to do the following each day:**

- Significantly limit capacity of all studios by more than half the usual capacity.
- Limit the number of visitors in our building based on our square footage.
- Provide additional cleaning of all common areas and high touch surfaces, especially restrooms and door handles.
  - Offering paper towel options to handle door knobs or other doors that cannot be propped.
- Take daily temperatures of staff, and encourage staff to stay home if feeling unwell.
  - If a staff member has a temperature of 100.4°F or above, they will not be permitted to remain on site, [per Restore Illinois Phase III guidelines](#).
- Require all who enter the EAC wear a cloth mask for the duration of their visit.
- Provide disinfecting wipes for all students to wipe down areas and surfaces they've touched inside the studio.

#### **All students participating in Open Studio must:**

- Arrive and depart at their scheduled arrival and departure times – no exceptions. We suggest stopping work 15 minutes prior to scheduled end time to allow enough time for wiping down all surfaces/tools.
- Wear a cloth face mask at all times.
- Take their temperature upon entry using provided gloves, and share results with an EAC staff member.
  - Anyone with a temperature of 100.4°F or above will not be permitted to remain on site, [per Restore Illinois Phase III guidelines](#).
- Maintain a 6' distance from others.
- Stay home if feeling unwell.

- The EAC will waive its refund policy if students must skip a visit due to potential COVID-19 infection. Ask a staff member for more information.
- Wash hands with soap for at least 20 seconds before, during and after their visit to open studios.
- Bring own tools wherever possible. Avoid using community tools wherever possible.
- Use provided disinfecting wipes to disinfect handles, tools, and any surfaces touched in the studio.

If you have questions or concerns, please contact the Director of Education, Christena Gunther, [CGunther@EvanstonArtCenter.org](mailto:CGunther@EvanstonArtCenter.org) or 715-212-9140.

### How to Reserve Your Scheduled 3-Hour Weekly Time Slot

Students interested in registering for Open Studio will reserve for a day and time slot, which will be their assigned 3-hour time slot for the 6-week term (or 5-week term for Friday and Saturday Open Studios due to Independence Day holiday observances). To support the EAC's efforts of social distancing and reducing our capacity, please note the following:

- Students cannot trade time slots with other students, but may register for additional time slots.
- The EAC will waive its refund policy if a student must miss Open Studio due to illness, but not due to other conflicts (e.g., planned vacation, appointment).
- EAC credit cannot be applied for this Open Studio offering, but can be applied for online classes or future in-person classes.
- Only students who have previously taken an in-person class in the EAC's department are eligible for that department's Open Studios.

### Ceramics Open Studio (Unmonitored)

**Monday-Friday, 12:15-9:45pm (no Open Studio Friday, July 3)**

12:15-3:15pm
