To ensure the best experience possible, we appreciate your sharing as much information about your child as you feel comfortable.

HI! WELCOME TO SUMMER CAMP AT EAC

At EAC, we value creative exploration and cultivation because there are no “right” answers in art! Just different ways to approach and solve problems, think critically, and achieve goals. We focus on sharing new techniques and skills that enhance existing interests, allow for multiple perspectives and interpretations.

Let's get creating!

“It was a wonderful experience! Engaging projects, great teachers and TA's and a great environment. My daughter wants to return again next summer.”

“My son is a reluctant camper, and really enjoyed the week of camp he did at the EAC. Thank you so very much for great instruction and programming!”

You'll learn more on the first day of camp.

GIVE US 2 WEEKS FOR CLAY PROJECTS: Afternoon clay projects will be available beginning about 2 weeks after camp. The EAC will contact you via email when the projects are ready for pick-up. You will have a 4-week period to pick up the projects from the EAC.

LUNCH INCLUDED: If you'd like to register your child aged 6-8 for a morning and an afternoon camp session, a 30-minute supervised, nut-free lunch break is included at no extra charge. Campers are automatically enrolled in lunch by registering for both the morning and afternoon camps.
